VARIOUS MATTERS

Official summer begins tomorrow,
the 22d.

In some gardens currants are nearly
ripe enough to pick.

Eastern Point will have another
garage for the summer.

St. James' lodge, No. 23, works the
M. M. degree this evening.—adv.

Lilies are already in blossom on
Morgan's pond, below Thamesville.

There were many trolley parties to
the shore on Monday, to escape the
heat.

Dealers in trunks and suitcases
realize that the vacation season is
nearing.

The summer changes in time on the
Central Vermont road went into ef-
fect Sunday.

Freeman A. Woodward of the Old
Fellows' home is making rapid recov-
ery. Mr. Woodward broke his leg sev-
eral weeks ago.

It will be a short berry season, as
the entire crop is ripening at once,
and the markets will be flooded from
now until the season closes.

D. A. R. chapter members from a
number of towns have been invited
to a picnic Thursday afternoon at
Camp Winslow at East Hampton.

Farmers who are cultivating their
gardens since the rain ceased are
struggling in some instances with
grass and weeds fifteen inches high.

The Connecticut Citizen for June,
which is just out, publishes on its
cover page an excellent portrait of
Representative John C. Brinsmade of
Washington.

Torpedo boat destroyers Smith,
Preston and Lamson, which made the
trip from New York to New London
in four hours on Saturday, left Mon-
day for Newport.

The Ninth regiment of New York is
at Fort Wright, Fishers Island, for
ten days' instruction in the handling
of war implements and also to receive
further military training.

There are so many wild strawberries
on Fishers Island this season that on
Saturday a Norwich cottager there
picked three quarts of the good sized,
juicy ones, in half an hour.

Fifteen members joined the associa-
tion at the annual field meeting of
the Connecticut Beekeepers' associa-
tion, held Saturday at the apiary of
A. W. Yates, No. 3 Chapman street,
Hartford.

George Wright, who has been stay-
ing at the home of Thomas E. Wheeler
on Glen, is to be sent to the
county house at Norwich for the
town selectmen. The boy was acci-
dentally shot by a companion recently
and his right arm is still painful.

E. L. G. Hohenthal of South Man-
chester, chairman of the state central
committee of the Prohibition party,
has issued to the state convention of
his party, which will be held in Meriden,
commencing June 23. The invitations
state that a complete state ticket
will be nominated.

Two members of the Army and Navy
club who will be missed from this
week's meeting are Henry I. Smith of
Norwalk, Third Connecticut infantry,
who died Friday, and Col. James N.
Coe, ex-superintendent of Fish's sol-
diers' home, Second Connecticut volun-
teers, who died at Noroton Sunday.

In spite of the cry of "No work!"
painters find it impossible to get men
to help them finish contracts. The
hotel manager from a nearby town,
who was in Norwich two days last
week, could secure only one waitress
for a summer hotel, paying \$4 per
week, and where the tips averaged as
much more.

HONORS AT YALE.
Cecil G. Young, R. B. Case, S. K. Case
and H. R. Preston are Among Those
Getting Honors at Sheffield Scien-
tific School.

In the announcements of the hon-
ors at Sheffield Scientific school, held
at Yale, Cecil G. Young of this city
received a Sheffield graduate scholar-
ship.

In the class of 1911, S. W. Case gets
honors in mining engineering under
the old New England curriculum. He
studied at the Sheffield Scientific school
of Yale. Honors for excellence in all
studies of the junior year are given
to C. Case, Jr., of New Britain, and
H. R. Preston, civil engineering.

TAKING DOWN FOUNDRY.
Building South of Reliance Worsted
Mill Being Demolished.

Workmen in the employ of the New
Haven road are engaged in tearing
down the old foundry building south
of the Reliance worsted mill on North
Main street. The building has been
falling into decay for years past and
a few months ago a portion of it fell
over into the street. The old roundhouse
has not been touched as yet by the workmen.

Polish Athletic Delegates.
At their meeting on Sunday the Pol-
ish Athletic society decided to send five
men to the all-New England tourna-
ment at Webster, Mass., on July 4th.
Those to go from here are Thomas P.
Kapturkiewicz, the president; Thomas
Mish, treasurer; Anthony Lenkiewicz,
Anthony Plenko and Albert Seris. The
field day will probably be attended by
200 people. Last year it was held in
Meriden, and there is a prospect that
it will be in Norwich next year.

Ocean Beach Bathing.
The bathing season formally opened
at Ocean Beach Sunday. The mid-
summer heat made the water look in-
viting to the lovers of bathing and
they took their initial dips. About 200
were in bathing during the day. The
water, the bathers said, was as fine as
midseason and the air was not cold.
A dip will be the order at the beach
for the rest of the season. For a
month some of the bolder bathers
have been in for a dip each day.

Parts of Two Fingers Amputated.
Peter Vanderwaert, who had both
of his hands badly burned by an elec-
tric current at the city plant five
weeks ago, had to have two fingers
partially amputated on Saturday. They
refused to heal properly. The little
finger on his left hand was amputated
at the first joint, and the third finger
taken off just below the nail.

**SWATZBURG CASE CONTINUED
UNTIL NEXT SEPTEMBER.**
Attorneys Shields and Hall Have Some
Lively Talk Before the City Court.

Among the matters which came be-
fore the city court on Monday morn-
ing was the case against Joseph
Swatzburg, Jr., of 111 Elm street, who
was charged with having been in the
third court against him for getting
money under false pretenses. City At-
torney Shields, who is prosecuting the
case, said that the matter would be
continued until next fall, as he is to
be abroad for two months.

While arguing for a delay in the
case Attorney Shields and City At-
torney Hall had some heated words,
the former stating, while looking at the
city attorney, that an official had been
trying to get Mrs. F. T. Maples to
leave her home and go to the city
something not true, and that she had
told that man that she had no com-
plaint to make and referred him to an-
other party. He said he had been
talking with Mrs. Maples by telephone.
City Attorney Hall asked Mr. Shields
to be more explicit in his remarks and
to name the officials. He declared the
charge is brought in good faith. At-
torney Thayer argued that the case is
more silly than the Levine matter.
The court decided by Judge Jones to
continue the case to the first Tuesday
in September under the same bond.

DRIVING LAME OX.
Humane Agent Stanton Took It Away
from Two Men and Placed It in
Barn.

At midnight Monday night Humane
Agent G. H. Stanton was called out of
bed by Captain Linton, to whom it had
been reported that a man was driving
a lame ox toward the West Side.
The active agent found the ox in
the street, and after a short search
took charge of the animal and placed it
in Reynolds' stable.

The ox had injured its leg with the
sewer in North Cliff street.
The leg is badly swollen
and the ox is unable to walk. The
state agent will be called here regard-
ing the case today.

Members of Slater and Norwich
lodges of the New England Order of
Protection were in New London Mon-
day evening, the guests of Beulah
lodge.

**NEW LONDON SONS
INITIATE LOCAL CLASS.**
Sedgwick Camp, No. 4, Has First Meet-
ing of Season.

Its best meeting of the season was
held on Monday evening at the Buck-
ingham Memorial by Sedgwick camp,
No. 4, Sons of Veterans, having a class
to initiate and having the work done
by a degree team of seven men from
Jared Avery camp of New London.
The work was nicely done by the visit-
ing team, Sedgwick camp is to start
at once to get together another class.

By invitation from the camp a good
number of the Sedgwick post, G. A. R.,
members attended the meeting.

When the initiation was finished
Commander Alvin C. Fairbanks called
for remarks from the visitors, whose
responses made this part of the even-
ing especially interesting. Those who
spoke were Senior Vice Com-
mander John A. Bowen of Sedgwick
camp, and a degree team of seven men
from Jared Avery camp of New London.
The work was nicely done by the visit-
ing team, Sedgwick camp is to start
at once to get together another class.

Windsor.—Mr. and Mrs. Horace E.
Cooley of Windsor were married sixty
years ago Thursday. They observed
the anniversary in a quiet way at their
home, receiving friends.

A change was made in the freshmen
eight, Cutler, who has been rowing No.
3, being dropped Monday night. The
boat has been at bow, was put in at
No. 3 and Warren was taken from No.
3 in the four oared and placed in the
eight. The eight paddled down stream
for three miles in the following order:
Stroke, Goodale; No. 7, Moffat; No. 6,
Stratton; No. 5, Keays; No. 4, Lincoln;
No. 3, Meyer; No. 2, Sullivan; bow,
Warren; No. 1, Goodale. Morgan was
put in at No. 3 in the freshmen
four oared.

It has been definitely determined that
the varsity eight will not use the new
shell received from England and pre-
sented to them by the Harvard Ath-
letic association. The boat has been
found to be too large, being too high
out of the water for the present crew.
Given the boat, the varsity eight will
Bacon, No. 5 in the crew, will be used.
The crew will use the shell known as
the Iris II.

Yale Crews Like New Oars.
The three Yale fours were the first
Monday night and raced up stream
for a mile, the first varsity winning
from the freshmen by a scant length,
with the second varsity a length or
more behind the freshmen. The fresh-
men and varsity eights rowed up
stream for three miles at an easy
stroke and before reaching the bridge
started. New oars were tried by all the
crews at Monday night's practice and
gave such good satisfaction that they
will probably be used permanently.

G. W. Rouse Attended.
George W. Rouse was in New Ha-
ven on Monday, attending the annual
reunion of the Twelfth regiment, Con-
necticut volunteers, at the Hotel Ro-
col. A. C. Hendrick, president of the
association, presided at the business
meeting, at which time the 200
survivors of the regiment were pres-
ent. Four of the regiment have died
during the year.

In 12 marriages out of every 100
one of the two has been married before.

NORWICH BULLETIN, TUESDAY, JUNE 21, 1910

INCIDENTS IN SOCIETY

**Councilman Lang Wanted Minutes Held Up for Further
Consideration of the Changes in the Rules—Minutes
Were Approved, But Two Petitions Were Acted
Upon Adversely—No Appointments Made.**

The first flurry in the new council
took place at the meeting Monday
evening and it gave evidence of dis-
satisfaction in the new democracy ranks
something which has been intimated
during the week. Councilman Lang
started it when he called attention to
the fact that the reading of the min-
utes had been overlooked, and he de-
manded that the minutes be read. It
requiring 15 minutes to finish the 12
pages. At the conclusion he asked
that they be read on the next meet-
ing for approval later because of some dis-
satisfaction in the rules of order
adopted at the last meeting. He ad-
mitted that he had found no error and
after some discussion, the council ap-
proved the minutes by a vote of 10 to 2.

At 8:10 o'clock the council assem-
bled and was called to order by Mayor
Thayer. The minutes were presented.

Alderman Gebrahr for the executive
committee reported favorably upon

ington and Cedar streets, and it was
approved. Alderman Parker recom-
mended that it be not suspended, and
